

## **Italian Greyhound Breed Record Holders New Breed Record of 33 CC's**

**Ch Turigner Thunderbolt JW** (Mickey, 14.07.11)  
(Ch Turigner Tornado x Ch Tamiskene Witchcraft at Turigner)

My mother, Barney Turner purchased her first Italian Greyhound in 1968 & took out her Affix Turigner (Turner with IG in the middle) in 1970/71. This, it is believed, is the longest standing Affix existing in the breed that has been consistently in the ring over the last 52 odd years (I was 7 when we had our first IG!) Mum died in May 2016, but she saw him win many of his CCs, including BOB at Crufts 2013 & DCC & BIS at the IGC Club Show the same year.

We have had great success with many dogs, multiple CC winners & 3 separate Group Winners (no other kennel has had more, I don't think). Careful line breeding has been done over many years, with the focus on type, temperament & health. The Turigner dogs are well known for their strong, happy characters, Mickey being especially known for being the happiest, waggiest tailed dog in the ring over the past few years.

33 CCs (20 from All Rounders, 13 from Breed Specialists)  
21 Res CCs, 19 BOB, 1 Group Win, Several Group Placings

**Top IG 2014 & 2015**  
Multiple Veteran Stakes Winner in recent years.

His Breed Record winning CC was gained at the age of 11 years old under Age Gjetnes (Norway). This feat is amazing for an IG, still winning such awards at this age, still with a full dentition! He has a Champion son & daughter & several other CC winning offspring.

He has been the most amazing dog to show, the ultimate professional. He is the sweetest, happiest, kindest, most well behaved dog to live with, who loves life, everyone & everything. **Becky Henley**
